

27 July 2021

To all Clergy, Secretaries and Diocesan Councillors

COVID-19 Update 21

Dear Friends in Christ,

Firstly, thank you to everyone who has done their part to help South Australia through this seven-day lockdown. I am sure you are all pleased to hear that it will be ending as of 12:01am Wednesday 28th July. There will still be considerable restrictions in place, and there are some variations on what we have been used to before, so please try to do your best to follow them where necessary.

Density Rule

The density requirements have returned to 1 person per 4 square metres of space for all defined public activities and gatherings. Also remember that people should attempt to keep their physical distance from other members of the public (1.5m).

Masks

Wearing face masks will remain required in all high risk settings (such as health care facilities, Residential Aged Care Facilities, allied health, and when providing personal care). Masks are also recommended to be worn when out in public, especially in places where it isn't possible to keep your physical distance. At this stage it does not seem to be compulsory to wear a mask in church services, but given the other directions so far it would be highly recommended. People would be encouraged to provide their own masks.

Singing

Once again, there should be no singing during any of our services. It is still possible to have music playing, as long as people are aware that it is for reflective purposes only. Another option could be to read the hymns like poetry.

COVID-Safe Plan

Religious Ceremonies, weddings and funerals are classed as "defined public activities" and so we must have a COVID-Safe Plan. Existing plans will be updated automatically and emailed out by the Government as changes come in to force. Remember, the current plan must be available on your premises. If you do not yet have a COVID-Safe plan for an activity, the link to create one and more information is available on the Government's website;

<https://www.covid-19.sa.gov.au/recovery/create-a-covid-safe-plan>

COVID Marshals

Religious services are required to have a COVID Marshal on duty. People can complete the relevant online training as prescribed by SA Health, at no cost via this link;

<https://marshal.clickontraining.com.au/>

COVID SAfe Check-in and Contact Tracing

The COVID SAfe Check-in was introduced to enhance contact tracing and a unique QR code is issued as part of your COVID-Safe Plan. The QR code needs to be printed and displayed prominently so that when people arrive at a venue, they can check in by scanning the QR code using their smart phone through the mySA Gov app. Remember that this applies for worship spaces, halls and/or op-shops. If people don't have the app they can use their smart phone camera and a secure web form will open to check in.

If people don't have a smart phone then paper recording can still be used as a back-up. Continue to note the date and time of the activity along with the person's name and contact details. All paper Contract Tracing Records must still be kept in a secure location after the occasion that they have been obtained. They should then be destroyed after 30 days – not simply put in the bin. Remember that it is important to encourage all who attend our premises to check-in. Asides from the fines that can be issued for not complying, if someone tests positive to Covid-19, the COVID SAfe Check-In enables SA Health to quickly contact others who may have been exposed to the virus and help to stop the spread.

Weddings and Funerals

The maximum attendance permitted at a wedding or funeral is 50 people. The 1 person per 4 square metres rule also applies.

Aged Care Facilities

Restrictions on visitors to Aged Care facilities may vary from site to site so please check with the facility before making any pastoral visits. Masks will be mandatory as noted above.

Op-shops and Soup Kitchens

All retail and hospitality will be able to open and so too will our Op-shops and soup kitchens. Please note that the 1 person per 4 square metres rule will apply and everyone will need to check in and wear a mask as per the directions above. People will need to be seated for consuming food and beverages.

Holy Communion

The sharing of utensils, i.e. the common cup, is NOT permitted at this time.

Passing of the Peace

There should be NO passing of the peace during the service. The phrase, "the Lord be with you" should simply be responded to with "and also with you." Similarly, any greeters/welcomers should not be shaking hands when people arrive, and neither should the Priest at the conclusion of the service.

The Collection

Taking a collection during a service is fine but the plate should not be passed from person to person. If possible, the plate should be available for people to use on their way into or out of the service. People counting money should use gloves and ensure that they wash their hands. Continue to encourage people to give electronically where they are able.

Morning Tea

Morning tea may be held after services but consider the space where this would happen to be sure you follow the density rule. All food and drink should be single served portions and not shared portions from communal containers. It is also important that people do not share utensils so this should be considered. People should be seated to consume any food or beverages.

Cleaning after services and other gatherings

This should be continued as recommended by the authorities and outlined in your COVID-Safe plans.

Vaccination

Getting vaccinated when you become eligible is one of the best ways to protect yourself, your loved ones and your community. To check your eligibility and make a booking, visit the Australian Government Department of Health website: www.health.gov.au

Finally, please continue to follow the other Covid-safe principles as well – washing or sanitising your hands regularly and staying home and seeking testing if you are feeling unwell.

With every blessing,
