

28 December 2021

To all Clergy, Secretaries and Diocesan Councillors

COVID-19 Update 28

Dear Friends in Christ,

We have been notified that the Premier, Steven Marshall, has announced that the planned easing of restrictions on 28 December has now been postponed until at least the New Year.

As a result, the COVID Compliance factsheet for places of worship previously issued by SA Health remains correct, and is once again attached for your convenience, we should continue to follow this advice.

With respect to singing it is good news and makes things clear that singing with masks, as we have had in place, can continue.

I understand these changes of position can be frustrating but we will try to keep you abreast of the latest developments.

As always, however, restrictions are kept under constant review by the SA Government as the situation evolves and we encourage you to keep an eye on the SA Health COVID website and media coverage of Government announcements.

With prayers and blessings,

The Right Reverend Keith Dalby
Bishop of The Murray
