Property Report

St Francis of Assisi, Christies Beach: Architects have made significant progress, based on good preliminary design work. A 3D model was displayed which was very helpful to visualise the proposed development.

St John the Baptist, Lameroo: Settlement was effected on 10 May 2024.

King Charles the Martyr, Padthaway: Contract on hold whilst prospective purchaser undertakes septic/sewer queries.

Synod

Positive feedback has been received from participants of Synod held in Mount Gambier in June, with a great team effort from the organising committee of the Parish of Mount Gambier. Integration of worship and business worked well. Consideration is to be given to which parish could host Synod 2025.

Safe Ministry

Quarterly Safe Ministry reports are being issued to each Parish Safe Ministry Coordinator. If there are parishioners taking services or volunteers without Safe Ministry clearance, it is up to the Parish to monitor this.

Safe Ministry protects those ministered to, and those doing the ministry.

Anglican Community Care (ac.care)

Rick Fisher, Chair of ac.care board, has advised that there are some proposed governance changes, and these are being worked through.
