A Safe Place for Everyone

*Jesus said,
"I came that they may have life, and have it in all its fullness."*

The Church is a place where everyone should be safe and valued. The Diocese of The Murray is committed to creating and maintaining the safest possible environment for all - children and adults, men and women, parishioners, ministers and occasional visitors and users of our services. Appropriate training is provided for congregations and all church workers; everyone is urged to exercise constant vigilance.
